Please feel free to call, text, email or instant message me. Also find me on facebook.

We are going to take suggestions for our name for our unique group. We will also get to know each other and share stories on how we were all brought together by Denver Options: Operation TBI Freedom. I also would like to find out what you would like to see happen in our meetings!

This Group was formed through the collaborative efforts of the **Brain Injury Association, Denver Options, and Operation TBI Freedom**
